I don't really have any friends back in New York but as soon as I got here I made a lot of friends and my friends are my cousins I'm so glad I came here. Harris is like my best friend ever even if he dose get us in trouble ever second. But Harris and I have nothing in common but we still like to play and talk.

## About Me:

Since my parents drop me of here life has been horrible I have to get up at five O'clock and I never get a break it sucked but as I've been here I love all of my family I don't know why my parents didn't introduce me to these people along time ago. And all of my cousins to play around and hang with, I used to hate it here but know I wish this summer never ended.
